LSS SUPPORT FOR FOODBANK WA

Hillside Meat Processors (a wholly-owned subsidiary of Livestock Shipping Services) is supporting the “Lamb Legends” initiative which will deliver food to some of Western Australia’s most needy families. The “Lamb Legends” initiative has been developed by the The Nationals WA, and delivers food products through Foodbank WA.

Nationals WA Members of Parliament the Hon Paul Brown MLC and the Hon Colin Holt MLC launched the “Lamb Legends” initiative which will see fresh meat donations from the sale days at Muchea and Katanning on 16-17 September being provided to Foodbank WA.

“We are really proud to be supporting this great initiative by providing free food-processing for meat donated as part of the sale days,” said Mr Ahmed Ghosheh, Managing Director, LSS Australia.

“The livestock industry in Western Australia has always been close to the community, and being able to contribute to helping families in need in WA is a simple way for LSS and Hillside to support the community that supports us,” said Mr Scott Weir, General Manager, Hillside Meat Processors.

This is the first year the “Lamb Legends” initiative has been run in Western Australia, and LSS and Hillside are excited about supporting the initiative into the future.

“Foodbank WA delivers four million meals a year to 55,000 Western Australians, and we would encourage other members of the livestock sector to contribute to the Lamb Legends initiative,” Mr Ghosheh said.

Foodbank WA is a non-profit organisation which delivers food through more than 1200 schools, welfare agencies and community groups in Western Australia. Its successful Initiatives also include the School Breakfast Program which delivers 60,000 breakfasts to 17,000 children in Western Australia.

LSS is an Australian company based in Perth, Western Australia. Established in 1998, LSS delivers best-practice animal live export services to a range of customers around the globe. LSS globally, has over 20 years’ experience in the animal live export market, is a member of the Australian Live Export Council, and a corporate member and sponsor of the Pastoralists and Graziers Association of Western Australia. LSS employs 120 staff throughout Australia within its export business, farms, feedlots and abattoirs.
